

# Die grosse Repetition zum kleinen und grossen 1×1

Mit den Vorlagen A1–A8 wird das kleine, mit A9 bis A11 das grosse 1×1 geübt. Gegen Jahresabschluss zeigt sich so nochmals, wie gut die Kinder diese wichtigen Rechnungen beherrschen. Aber auch nach den Sommerferien eignen sich die Blätter gut als Einstieg, um nach der langen Sommerpause wieder «auf Betriebswärme» zu kommen. **Lea Karinger**
