

# BLOWIN' IN THE WIND

## Bob Dylan

How many \_\_\_\_\_ must a man walk down

Before you call him a \_\_\_\_\_?

How many \_\_\_\_\_ must the white dove sail

Before she sleeps in the \_\_\_\_\_?

Yes, and how many \_\_\_\_\_ must the cannonballs fly

\_\_\_\_\_ they are forever banned?

The answer, my \_\_\_\_\_, is blowin' in the wind

The answer is blowin' in the \_\_\_\_\_

Yes, and how many years can a \_\_\_\_\_ exist

Before it is washed to the \_\_\_\_\_?

Yes, and how many years can some \_\_\_\_\_ exist

Before they're allowed to be \_\_\_\_\_?

Yes, and how many times can a man turn his \_\_\_\_\_

And pretend that he just doesn't \_\_\_\_\_?

The answer, my \_\_\_\_\_, is blowin' in the wind

The answer is blowin' in the \_\_\_\_\_

Yes, and how many times must a \_\_\_\_\_ look up

Before he can see the \_\_\_\_\_?

Yes, and how many \_\_\_\_\_ must one man have

Before he can \_\_\_\_\_ people cry?

Yes, and how many deaths will it take 'til he \_\_\_\_\_

That too many \_\_\_\_\_ have died?

The answer, my \_\_\_\_\_, is blowin' in the wind

The answer is blowin' in the \_\_\_\_\_
