The grandfather is eating too many
beans.
He has terrible wind!

The baby is not washing his hands
after the toilet.
So he got worms.

The boy has lice.
Dr. Dog has to give him a special
shampoo.

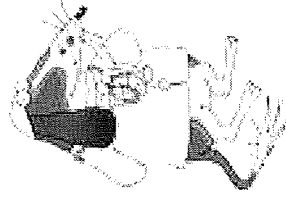

The girl has a sore throat (Halsweh).
Dr. Dog has to operate her.

At the end Dr. Dog is ill.
He is stressed.
He has to relax.

This is the Gumboyle family:
The father, the mother, two
girls, two boys and the baby,
the grandfather and their
dog.

The family is ill (krank).
The boy was smoking
cigarettes.
So his lungs are black.

Dr. Dog

...but....

He is a doctor.

He is coughing (husten).
