Hey. The Holidays were great. I was in a camp with friends. We were camping in Wales.

Paris was fantastic. I went to the France city with my family. We travelled by train.

I went with my family to Spain. It was great. It was sunny and warm. I went swimming in the sea and was playing at the beach.

I visited my uncle. He's living in the USA. One day we went to the Disneyland. It was fantastic.

I was in Sweden. There I made a cycling trip with my family. I really liked it.
