My dream village

In my village there are shops and restaurants. You hear music. The houses are high. There live a lot of people. There are flowers. It is dark during night.

My dream village

My dream town is big and colourful. It flies on a cloud. All the houses have an other shape. My house has the shape of a soucery and the door is green. the window frames are blue and the house is orange. Next to my house is a shopingcenter whit all the shops that my town needs.
